Dear Prospective EMT Student,

Thank you for your interest in our EMT Program. This packet includes a list of the program's pre-requisites and several forms. Complete the forms and attach any required documents. A checklist located on the last page to assist you in completion. Be aware that the timeframe for immunizations and background checks is lengthy and you should plan accordingly.

South Howell County Ambulance Education Services does not discriminate on the basis of race, color, religion/creed, age, gender, disabling condition, handicap, or national origin. Admission into our program is premised on meeting entrance requirements.

Our course utilizes full emergency scenario simulation with high-fidelity mannequin and an ambulance inside the center. Class-time, simulation, clinical and study time for the length of the course is emotionally and physically challenging. Being physically fit is a benefit for successful completion. If you believe you have a disability that will require accommodations contact the Education Department as soon as possible.

Classes will meet on Monday and Wednesday evenings from 5:00 p.m. till 9:00. p.m. There will be a Saturday or two for extrication and live field training.

Again, thank you for your interest in our EMT Program. If you have any questions do not hesitate to call, text or email me.

Best regards,

Richard Cotter, EMT-P, ICE, Lead EMT Instructor

 - Content within the essay
 - Plans on graduation of your EMT career
 - Oral Interview
 - How you present yourself as a professional is important

GENERAL OVERVIEW OF EMT PROGRAM HOURS:

- 220 Hours of classroom, skills and simulation lab
- 48 Hours of hospital clinical experience
- 60 Hours of field clinical experience

CLASSROOM, SKILLS LAB AND SIMULATION:

- Provides students the intellectual, theoretical learning environment along with skills lab and patient simulation using our high fidelity mannequin with an ambulance simulated environment.

HOSPITAL/FIELD CLINICAL EDUCATION:

- Hospital & Field Clinical education provides an opportunity for students to develop & apply theoretical knowledge & laboratory skills to the actual treatment of patients. Students will participate in various supervised clinical experiences within local hospitals & on local ambulance units.

AMBULANCE CLINICAL FIELD EVALUATION:

- The final clinical step required will have you riding along with an EMS crew on an ambulance. This is your opportunity to interact with EMS crews and practice your skills under the direct supervision of a training preceptor. However, you will not be allowed to drive the ambulance. (Missouri regulations only allow certified and licensed individuals to drive.). This period allows the student to apply the knowledge and skills learned from previous classroom and clinical hours.

HOSPITAL CLINICAL SITES: (note – some hospitals require students to attend an orientation class before being allowed to do clinical time)

- Ozarks Medical Center, West Plains, MO
- Texas County Memorial Hospital, Houston MO
- Cox South, Springfield, MO
- Ripley County Memorial Hospital, Doniphan, MO
- Poplar Bluff Regional Medical Center, Poplar Bluff, MO

AMBULANCE CLINICAL SITES: (note – any ambulance site must have credentialed clinical preceptors to ride with. SHCAD provides free of charge access for an online credentialing course free of charge.)

- South Howell County Ambulance District, West Plains, MO
- Texas County Memorial Hospital – 4 stations in Texas and Wright Counties
- Mercy EMS – Eastern sector only – Mt. Grove and Mt. View, MO
- Cox EMS, Springfield, MO
- Taney County Ambulance District, stations in Branson, Forsyth and Kissee Mills, MO
- Medic One, Poplar Bluff, MO
- Oregon County Ambulance District, Thayer and Alton, MO
- Butler County Emergency Medical Service, Poplar Bluff, MO.

EMT Training Program Application Process

There are four (4) sections to the application process. All must be completed before acceptance may be granted. Completion of all sections does not guarantee that an applicant will be accepted into the course.

1. Section I Completion of Application & Submission of Documents
 - Physical sign off
 - Background check
 - immunizations
2. Section II learning style examination
3. Section IV Oral Interview
4. Section V Drug/Alcohol Screen

SECTION I COMPLETION OF APPLICATION & SUBMISSION OF DOCUMENTS

- The application must be completed in its entirety & submitted with all required documents. The application packet can be sent standard mail, faxed, dropped off at the station or scan and emailed or in person at the station.

ADMISSION DRUG & ALCOHOL TESTING

Acceptance of students to the EMS Education Program is contingent upon screening for alcohol and drugs. The initial 10 panel will check for illegal drugs are present. We also screen for alcohol. The screening will be random and required to complete up until the end of the first month of class. You will be asked to list all prescription and over-the-counter drugs you are taking along with name and office number of who prescribed them. The cost for this test is included in your application & testing fee.

The in-house test will consist of a saliva swab test for drugs & a disposable chemical activated breathalyzer for alcohol (Note: testing kits can and do change.). To protect all of our patients & employees, the sample must be taken under monitoring conditions. Failure to cooperate fully in this process will result in immediate withdrawal of the conditional offer of admission.

If the initial test is positive a second will be administered. Should the second return positive. The prospective student will be required to take an off campus test via our vendor. That test will be required to be done immediately and at the students cost. If the third party test is positive the student will be removed. If negative they will be allowed to continue the course.

An applicant who refuses the screening will not be accepted into the program or if the screening is after the start of class will be removed. The applicant (student) will be responsible for the drug confirmatory testing, with payment made to South Howell County Ambulance District in the form of cash or money order.

As an applicant (student), I give permission for South Howell County Ambulance District to administer the random drug screening. I have provided to the best of my knowledge information on prescription and/or over the counter drugs I am taking. I have read the above and asked any clarifying questions.

- I agree to comply with the enrollment process, as indicated above.
- I do not agree to comply with the enrollment process as indicated above.
